

Oregon ACDA Gold Award Recipients Recognized for 2009-2010

Oregon ACDA has proudly recognized outstanding choral performances by 100 Oregon choirs for the 2009-2010 school year.

Each of the choirs listed below earned an ACDA Gold Award Certificate by giving outstanding performances earning at least two scores of 81 or higher from ACDA certified adjudicators at sanctioned choral festivals and contests during the 2009-2010 academic year. Several types and levels of choirs have earned the Gold Award, including middle and high school choirs in 6 classifications, youth choirs, college choirs, non-mixed choirs, and community choirs.

In keeping with Oregon ACDA mission statement, ACDA exists for the betterment of all choral performance in Oregon. The Gold Award is one of ACDA's commitment to the high quality of choral performance in Oregon year after year.

The Gold Award encourages many types of choirs to achieve scores of 81 or higher in sanctioned choral events (ones which include ACDA certified adjudicators and use of ACDA choral evaluation forms. In the future it is our hope that the number of types and levels of choirs earning the award continues to expand.

Oregon ACDA has awarded the Gold Award to over 270 choirs over the first three years of the recognition program.

As the 2010-2011 school year progresses, Oregon ACDA will again seek out and reward choirs deserving the award all around the state. If you are a festival or contest manager, ACDA would appreciate your contribution to this awards program by contacting Gold Awards chairperson Jim Angaran at info@juniperjewel.com with information of qualifying scores attained at your event. ACDA will be helping this process by developing an on line reporting form to ACDA for festival directors and managers identifying the deserving choirs and their directors.

The Oregon ACDA Gold Award Certificate may symbolize pride in high achievement in the choral art. May each and every choir work to attain it in the 2010-2011 academic year!

Class	Name	Director	Choir
