NOTE: *Certified adjudicators must attend a certifying workshop at least once every five years in order to maintain their certification. An adjudicator's certification status will lapse on the fifth anniversary of his or her certification, but will be extended a grace period until the end of that school year. Those who have not recertified after the 5 years (plus one year grace period) will have their names removed from the list until they participate in an ACDA adjudicator certifying workshop held annually. This year's event is to be held **November 14, 2009 at Corban College in Salem.** Contact ACDA adjudication activities chairman Jim Angaran at <info@juniperjewel.com> for more information. **ACDA certified adjudicators must be members of ACDA** and should check at <acda.org> by December 1 of each year to verify membership status.
